Some Of The Good Things On The Program

The executive committee of the Old Settlers' Association has arranged an unusually good Program for Old Settlers' Day in Villisca this year, and some of the good things are here listed.

The speaker of the day will be

Senator W. S. Kenyon

one of the ablest platform men in the United States, and a most popular man with the people. To hear him alone will be worth coming many miles.

Other events scheduled are: Free band concerts, open air entertainments, vocal music, a fiddler's contest, a ball game, free moving pictures in the park, big basket dinner, and other attractions. Don't forget the date.
