They encountered some ns on board who made fun of as soldiers, and a number of ights ensued. The soldiers said expected to get three cents a during the time they were in the

O, YOU OUIJA BOARD

stmaster W. B. Arbuckle receiv- letter from a lady living near y, Iowa, on Sunday of last week hich she expressed much concern an alleged clew concerning the ca murder tragedy. The lady e a very neat letter which showed evidences of more than common intelligence, signed her name, and gave her address, saying that she was a trained nurse by profession. Mr Arbuckle wrote, and in answer asked her to explain more fully just what the nature of the clew was, and if there was anything to it the detectives would visit her and investigate the matter. The reply which came rather knocked the postmaster off the Christmas tree, and others who had seen the original letter were dumbfounded.

The lady said her "clew" had been developed by the use of a "Ouija" board. Now, those who do not know what a "Ouija" board is may demand some sort of explanation. It is a board on which are printed the letters of the alphabet, the numbers, the words "yes" and "no," and certain astrological signs. A small table with five legs is used, and two persons are necessary to make the board "talk." They sit opposite to each other, place the tips of their fingers on the little table, and in time, so the directions say, the table will begin to move and to spell out words and thus your fortune is told. The board told them up at Shelby that th murderer of J. B. Moore's family was a man named Brown, that he is now in Boston ,Massachusetts, and that two of Mr. Moore's children were Brown's children and had been adopted by Mr. Moore. The board further stated that the murder was committed on the night of June 23, and added a lot of other misinformation that beats anything yet propounded in connection with the baffling mystery. Mr. Moore's children were all his own, and the murder was committed on the night of June 9, and in no case did the wonderful clew develop a single fact.

Marshal J. H. Horton made a trip to Bridgewater last week to interview a man there who is now out of the penitentiary on parole, but who is alleged to have remarked that he overheard a fellow convict say once he would get even with J. B. Moore for sending him to prison. The story was utterly without foundation, save that it seems some such threat had been made concerning another man in another town in another county.

$1 GOES BEGGING

Last week The Review offered $1 free to the person who could make a sentence of seven words out of a certain number of pied letters, which appeared in an ad on page two, and nobody came forward to claim the dollar. We suppose the job was a little too much, and so we get to keep our dollar, but to those who tried and failed we don't mind telling them what the sentence was. Listen:

"Review sale bills are best and cheapest."

Now see if that don't make it.

Also tell your friends.

DISTRICT COURT IN SESSION

A Number of Divorces Granted, but No Jury Cases, and Jury is Excused—Grand Jury Returns Four Indictments, and Two Plead Guilty

Red Oak, Oct. 23.—District court, Judge Thomas A. Arthur, convened here Wednesday of last week, being a day late on account of the judge being delayed when his train ran into the rear end of a freight train as he was on his way to Council Bluffs.

The grand jury, composed of J. E. Farmer of Villisca, S. P. Swanson of Frankfort, J. L Richardson of Red Oak, O. J. Powell of Sherman, W. J. King, of West, A. O. McQuown of Garfield and Walter Sellergren of Scott, the last named being the foreman, began work immediately an returned four indictments, one agains Wm. Spargur of Villisca, charged with assault on the person of Harrison Kelso in Villisca last June, one against Henry S. Cooper for a stabbing affray in Lincoln township, one against H. C. Dunn for forgery and against L. J. Harpold for forging a man's name to a note for surety. Spargur gave bond in the sum of $500 and was released to appear for trial at the next term of court. Cooper also furnished bond in the sum of $600 and was released until the next term.

Dunn and Harpold pled guilty and took their medicine. The former, who committed a number of forgeries in Red Oak about a year ago, was given an indeterminate sentence of ten years at Anamosa, and Harpold, who signed another man s name to a note for $10, was given 60 days in the county jail.

Several divorces were granted one of them being the case of E. H Gallup vs Hattie Gallup on the grounds of desertion.

At present the court is hearing the case of Al Lane vs. Claude Stennett, for an accounting, there being some dispute over the settlement to be made following a farming partnership.

CUPID BUSY IN NODAWAY

Woertendyke—Heller

Mr. Oscar Woertendyke of Porterville, California, and Miss Laura Heller of Nodaway were united in marriage Monday evening, October 21, 1912, at half past eight o'clock. The wedding was the result of a twelve years courtship and the ceremony wa performed by Rev. Koser at the M. E. parsonage in Nodaway. Mr. Woertendyke returned to Nodaway about a month ago and has been visiting friends in that vicinity since that time. Mr. and Mrs. Woertendyke left Tuesday for Creston where they will visit until Thursday of this week. They will then return to Nodaway for a short visit before leaving for their home in California. Mr. Woertendyke is a painter and decorater. Both he and his bride are well known and highly respected in Nodaway, where they have the best wishes of their many friends for a happy and prosperous future.

Mathews—Fredericks

Mr. Wiliam Mathews of Muscatine Iowa, and Miss Stella Fredricks of Nodaway were married at the bride's home Tuesday, October 22, 1912, at eleven o'clock a. m. Rev. Koser, pastor of the M. E. church at Nodaway, performed the ceremony in the presence of a number of relatives.

A bounteous wedding dinner was served by the bride's mother after which Mr. and Mrs. Mathews left for a few days visit in Des Moines. They will make their home in Muscatine at which place the groom has employment with the Iowa Telephone Company as manager.

ANNIVERSARY CELEBRATED

Last Sunday, October 20, 1912, being the twenty-first anniversary of the wedding of Mr. and Mrs. J. T. Poston, their relatives, to the number of fifteen, came to their home uninvited, and entertained them for the day. It was all a complete surprise to Mr. and Mrs. Poston. They were busily engaged in preparing dinner for their customers when the guests arrived, driving up to the back door, they began unloading baskets and boxes, filled to the brim and when Mr. and Mrs. Poston inquired what it meant, were informed that it was their twenty-first wedding anniversary which was the first thought either had had of the date.

In regard to the eatables, there was nothing left out and the dinner, which was furnished by the guests, was simply grand. The day was greatly enjoyed by all and Mr. and Mrs. Poston will not soon forget their twenty-first wedding anniversary.

"16 TO 1"

"Advertising in The Review is just like '16 to 1,'" remarked Grant Fulton to The Review man Monday. "For every dollar I spent in advertising wood for sale I sold more than $16 worth, and the demand is greater than I can supply."

Mr. Fulton is one of The Review's loyal farmer subscribers. He advertised wood for sale in three issues of The Review, and after the second insertion he was from one to five cords behind on his orders every day. He said it kept him busy answering the telephone.

If you've got an article to sell, advertising will sell it if the people want it. And if you want to advertise it right, put your ad in The Review, and 5,000 people will read it.

BIG BANQUET TONIGHT

Members of the Villisca Commercial Club and their ladies are to enjoy a real treat tonight in the dining room of the M. E. church, on the occasion of the club's first fall banquet. There will be something like one hundred plates served, at fifty cents a plate, and besides a menu to make your mouth water, a special program of toasts and music has been prepared. The committee in charge has aranged with the M. E ladies' aid society to serve the banquet, and the menu (doesn't it look good?) is as follows:

Menu

Oyster Boullion
Dill Pickles and Crackers

Chicken
Mashed Potatoes Sweet Potatoes
Vegetable Salad Creamed Peas
Jellied Cherries
Wafers Bread and Butter

Ice Cream
Dark and White Cake Coffee

The Program

Just before the feasting begins, a musical program of unusually high merit will take place, and the banquet will be followed by a season of toasts, with F F. Jones acting as toastmaster. The program is as follows:

Music by Orchestra
Duet: J. M. Ireland and G J Edwards.
Solo, Albert F. Davie
Duet: Misses Jessie Frances Smith and Emma Watson
Duet: Mrs. C M. Graham and Miss Ruby Garnette
Banquet
Music by Orchestra
Toastmaster, F. F. Jones
Response. "The Villisca Spirit," E. L. C. White
Response. "The Trade Contributory to Villisca," Mayor F. M. Kelsay
Duet: Misses Smith and Watson
Response: "Impressions of Villisca on a Newcomer," Attorney L. E Lewis
Response: "Ladies Aid to a Commercial Club," Mrs. F. L. Ingman
Response· "Our Building Boom," H. A. Glackemeyer
Music by Orchestra

V. H. S. DEFEATED BY CRESTON

The Villisca high school football team went to Creston last Saturday to play football and were defeated by the Creston high school team with a score of 28 to 6. The Creston Advertiser says:

"It was one of the prettiest exhibitions of line smashing and forward passing seen on the local gridiron in many years The Villisca team were defeated but not badly outclassed in the game Saturday afternoon. The work of Recknor and Keck through the line broke up all hopes early in the game of the visitors winning the day, but the clever and speedy work of Watt, the fast and heady quarterback of Villisca, and of Henry, the visitor's left end, and Edwards and Winter, half backs, kept the goose egg out of their score column and set the Creston eleven to serious guessing."

The Villisca boys were outweighed by the Creston boys about twenty pounds to the man. The Creston boys were also experienced, except two of their number, which counted for much against Villisca's "green" players. But the boys put up a good game to the last and are not feeling at all bad about their defeat. It was a good game.

TEACHERS HAVE MEETING

County Superintendent Clara L Cowgill has effected the organization of a number of township teachers' associations in Montgomery county, and the first of the East township association's meeting was held in room 4 at the high school building in this city last Friday afternoon. Miss Ruth Means is chairman of the East township committee, but was unable to be present at the meeting last Friday. After some discussion of the movement it was decided to take up the reading of Strayer's "A Brief Course in the Teaching Process," and they will read the first three chapters at their next monthly meeting.

Those who were present last Friday were: Misses Ruth Moore, Ruby Ireland, Pearl Dennis, Mary Miller and Fannie Mathews. The meetings are held on Friday, so that no time will be taken from the teachers on Saturday.

SALE DATE CHANGED

Wm. Greenwell, living two and one-half miles south and east of Villisca, has decided to move out west, and contemplates locating in the great state of Oregon. For this reason he is going to hold a closing out sale at his farm on Wednesday, October 30, the date having been changed from October 31, so as not to conflict with Alvin Windom's hog sale at Maple Lane farm southeast of Nodaway. Mr Greenwell is using a page ad in this issue of The Review to advertise his sale, and with the ad goes 200 bills, so the sale will be thoroughly advertised.

HENRY DISNEY DEAD

Martin Disney received a telegram Monday of this week containing the sad news of the death of his brother, Henry Disney, whose home was in Idaho. The remains will be taken to Ohio for burial and Mr. Disney left yesterday for Omaha to join the relatives who are accompanying the remains to Ohio.

IS OUT OF THE RUNNING

A. C. Gustafson of Red Oak, Bull Moose Candidate for State Senator, Announces His Withdrawal from Race for Kenyon's Sake

Elsewhere in this issue of The Review appears an important political announcement, signed by A. C. Gustafson of Red Oak, in which he formally announces his withdrawal from the race for election as state senator from the Mills and Montgomery counties district. Mr Gustafson says he expects to be charged with breaking faith, but he finds that neither he no F. F. Jones can be elected, and he doesn't want a democrat. He states that his action was taken, not at the suggestion of Mr. Jones, but upon the advice of his progressive friends, who did not give him the encouragement he thought necessary.

Mr Gustafson's announcement i as follows:

"Inasmuch as it is claimed by Republicans and Progressives alike that my candidacy for State Senator jeopardizes the re-election of Senator Kenyon, I desire to announce my withdrawal from the race I may say in all frankness that I would rather go down in defeat than to take this action, but I believe the re-election of Senator Kenyon is far more important to you and to me than my election to any office. I desire to thank my many Progressive friends for their promises of support and will say that I will continue in the Progressive fight even though I am not a candidate for office

"Very respectfully yours,
"A. C. GUSTAFSON."

Comment upon Mr. Gustafson's action is, at this time, unnecessary He no doubt believed he could be elected when he entered the race but since has had a change of mind. The issue is now fairly drawn between the Republican candidate, F. F. Jones, an the Democratic nominee, Dr. W. S Reilly. The former is pledged to vote for Senator Kenyon's return to the senate, and the latter will undoubtedly vote for Dan Hamilton We shall see what we shall see

INVENTS TAMPING MACHINE

Necessity may be the mother of invention, but if it is Genius is the father, and one of the latter's offspring may be seen at work on West Fifth street, where F. L Lenhart has the contract for laying a new eight-inch water main.

The contract called for hand, or dry, tamping a very laborious and expensive process, but Mr Lenhart was more than equal to the occasion. Instead of hiring men to tamp the dirt back into the ditch, he invented a machine to do the work, and it not only does it better but does it faster. It is a simple machine—only one set of cogs is used—but it is sufficient. Power is furnished by a one and one-half horse power gasoline engine, and engine and machine are mounted on a frame, which may be wheeled along as the tamping progresses. The tamper is given a fourteen inch lift, and drops of its own weight back into the dirt. The pole of the tamper is sufficiently long to allow for any depth of ditch, and is raised and released by a "bite". This in turn is connected to the driving shaft by a strap operating over a pulley. The machine will fill ten feet at one setting.

Theo Curtis is the man who runs the tamper and inasmuch as he helped to invent it he knows the how of it thoroughly

Mr. Lenhart is to be sincerely congratulated on his enterprise

CITY BUYS TEAM

The city council met in special session Monday evening of this week and authorized Councilmen J L Neill and A. J. Wertman to buy a team of horses to be owned and used by the city. An appropriation of $200 was voted for this purpose

For some time the city has needed a team, but hesitated to make the investment Every month it has paid out for help more than the interest on the investment, and so finally it was decided to get a team for its own use The horses will be kept in a barn back of the city hall They will be used on the street drags, on the grader, on the street sweeper and dump cart, and on the sprinkler if the city ever buys one There is some talk of buying the spr [illegible] be longing to Daniel Wendling, and Mr Wendling, it is said, is willing to sell so all that remains is to settle on the price.

PROCLAMATION

Notice is hereby given, that the polling places in the several wards in the city of Villisca, Iowa, for the general election to be held Tuesday, November 5th, 1912, are as follows:

First Ward —In the Housh building located on the southwest corner of Third avenue and Third street.

Second Ward.—In the G. T. Rumbaugh barn, located on the North side of First street, between Third avenue and Fourth avenue.

Third Ward —At the City Hall, on the North Side of Third street, between Third avenue and Fourth avenue.

F. M KELSAY,
Mayor.

Hear William Rainey Bennett in "The Man Who Can" at the M. E. church next Wednesday evening. —Adv.
