WIN AT GREENFIELD FRIDAY

High School Boys Defeat Creston Branch Boys by Score of 14 to 7

CAPT. STALLINGS MAKES POINTS

The Villisca Boys Have Two More Games on Their Schedule for Friday and Thanksgiving Day

The Villisca high school football team were winners at Greenfield last Friday in the game with the north Creston branch boys. The score was 14 to 7. Captain Tommie Stallings made the two touchdowns made by Villisca and straightway kicked two goals following the touchdowns.

A smash off of tackle and an end run netted the two touchdowns.

The Villisca boys tell that it was a hard fought game and that both sides were playing their best game during the entire game. At one other time Villisca boys pushed close enough to the Greenfield goal to try a drop kick. Driskill fell back and from the thirty yard line drove a pretty kick. The Villisca players are of the opinion that the ball went between the bars, but the referee was in doubt and ruled that it did not. Greenfield also tried a drop but it went wild of the goal.

Greenfield made their seven points in the first half of the game when they intercepted a forward pass and raced over for a touchdown. At no other time did they threaten seriously to score.

Besides Coach F.L. Moore and Principal C. A. Moyer, who umpired the Greenfield game, the following men made the trip Friday: Captain Tommie Stallings, right half; Harold Winter, fullback; Ronald McPherrin, left half; Walter Arbuckle, quarter; Vernon Selley, right end; Ralph Gourley, right tackle; Everett Watt, right guard; Sid Moore, center; Teddy Reed, left guard; Donald Driskill, left tackle; George Taylor, left end; Osmer Evans, Waldo Penton and Austin Murphy accompanied the team as substitutes. The squad went to Creston

MARRIED SUNDAY MORNING

Mr. Faye Elliott and Miss Helen Taylor United in Marriage at Local Methodist Parsonage

Mr. Carl Faye Elliott, son of Mr. and Mrs. H. F. Elliott of this city, and Miss Helen Taylor, daughter of Mr. and Mrs. J.F. Taylor of Morton Mills, were united in marriage Sunday morning at about nine o'clock at the local Methodist parsonage. Rev. E S. Menoher said the ceremony. The bride and groom were accompanied by J. L. Wheeler of this city.

The bride and groom of this occasion are well and favorably known to many of the people of Villisca and vicinity. The groom is an energetic clerk at the Rexall drug store in this city and there and at other positions in this city he has made a large host of friends. He attended the Villisca high school for two years and then accepted the position at the drug store.

The bride also attended the Villisca high school and graduated in the class of 1916. Following her graduation she spent one year as teacher at the Morton Mills school, one year teaching the Neal school southwest of Villisca and the past school term has taught at the Mayhew school eight miles northwest of this city. She was born and has been reared in Villisca and has a wide circle of friends and acquaintances in this community.

Friends of both parties Friday evening of last week showed thoughtfulness for the two parties in a prenuptial miscellaneous shower given at the O V. Wise home in this city. There were a number of relatives and friends present on that occasion and the young people were recipients of many beautiful and useful articles for their new home.

They will be at home at once to their friends in the Dr. C. J. Graf residence on East Fifth street in this city.

The Review joins the many friends of Mr. and Mrs. Elliott in extending to them congratulations and best wishes for a happy married life.

Miss Lena Higgins returned to Lorimor, Iowa, Monday after spending Sunday in Villisca with her parents, Mr. and Mrs. L. H. Higgins.

THE STATE RESTS ITS CASE

Defense Begins Introduction of Testimony—State Has New Witnesses

ATTORNEYS ENGAGE IN CLASH

Fate of Rev. Lyn Geo. J. Kelly Will Probably Be Determined by Jury Before the Week Closes

The Review was advised over the phone yesterday noon that in the second trial of Rev. Lyn Geo. J. Kelly, on the charge of having committed the Villisca crime of 1912, the state would rest its case early in the afternoon. Drs. W. A. Lomas and F. S. Williams of this city were recalled, and they were the last witnesses to appear for the state.

Owing to the fact that the two doctors were not present when court convened Tuesday morning, the entire forenoon was taken over by the defense in offering previous testimony of Ed Landers of Shenandoah which was read by the court reporter of the former Kelly trial.

The state introduced two new witnesses in this trial. The first, Grant Pilling of Macedonia, was on the stand Saturday, and the second, W. H. Fulweider of Winner, South Dakota, gave his testimony Monday.

There seems to be no doubt but that the case will be in the hands of the jury the latter part of this week and that the little minister will know his fate by Saturday night.

Testimony of New Witnesses

Grant Pilling, the first new witness introduced by the state, said he saw Rev. Mr Kelly in front of the implement store in Macedonia on the morning of June 10, 1912, in conversation with a group of men, and that Kelly then told of the Villisca murders. He said it was before the morning mail had been received for he was on the way to the postoffice to get his mail when he heard the talk. The news did not reach Macedonia through the newspapers until next day, he testified. He remembered that there were a group of men present when Rev. Mr. Kelly told of the murder, but he did not recollect whether Barnett was one of them

W. H. Fulweider, the state's second new witness, stated Monday that he was in the automobile business in Winner, South Dakota, in 1913 when Kelly was there. He told the jury of taking the preacher to a neighboring town for a lecture. On this trip Kelly told him of the Villisca murders, he said. The preacher said, according to the witness, that he was in Villisca the night the Moores were killed and stayed with a Presbyterian minister, but that he could not sleep and got up before train time. He was one of the first persons in the house after the murder he told Fulweider. At the time of the trip Kelly said he was a detective working on the case and expected soon to have his hands on the murderer, according to the automobile man. He had been tracing down a bloody shirt, and had concluded that the murder was committed by a crazy man with a mania for murder, according to the testimony of Fulweider.

On cross examination Fulweider said Kelly did not say what time he entered the Moore house when he said he was one of the first to go into it. Attorney Mitchell in questioning the man asked him if any of the Iowa state agents had been to see him lately. He admitted tha Griffin had visited him about a month ago.

"Do you know you didn't have to come to Iowa on that subpoena? What are you getting out of this?

Fulweider admitted he knew he did not have to come. Mitchell asked him again if he didn't expect to get something. The witness said he supposed he would get something.

Then Attorney Havner broke in and asked. "You don't expect to get anything but your mileage and witness fees, do you?"

"No," the witness answered.

Other Witnesses Monday

W. C. Miller, the Macedonia druggist, who testified at the last trial to getting a bundle from Bluff City laundry of Council Bluffs for Kelly sometime following the ax murder, was on the stand again. His testimony did not differ from that offered before. Mrs. Cora Marquard, marker at the Bluff City laundry, who had told in the September hearing of getting a "bloody" shirt directed to be sent to the Macedonia agency which Miller conducted, also repeated her testimony.

FORD CAR STRIKES BUGGY

Party of Villisca Young People Crash Into Chas. Eden Buggy Sunday Evening on Davie Hill

The Misses Julia and Teckla Eden, daughters of Chas. Eden of near Hepburn, were quite badly injured Sunday evening at about seven o'clock when the buggy in which they and their father and sister, Miss Alice, were riding was run down near the George Davie home east of this city by a Ford car occupied by six Villisca young people: Osmer Evans, Teddy Reed, Russell Bullock, Aneva Edwards, Maude Roberts and Opal Day.

The young people in the car had been at the country home of Miss Roberts near Grant for the noon meal Sunday and were returning to this city. Osmer Evans was driving the car, which is owned by Waldo Penton, and tells that their head-lights were out of order. The party stopped at Nodaway to have the trouble located but could not find the garage men so decided to continue to Villisca. It was while descending the Davie hill that they struck the Eden buggy. Mr. Eden was also driving west.

The collision threw Mr. Eden onto the heels of his team and threw the girls from the buggy. The Eden team ran with the buggy to the street near the Mrs. Sue Overman home and were there found by Mr. Eden and Albert Davie, who drove to Villisca after the three Eden girls had been taken to the latter's home. The Misses Julia and Teckla Eden were most injured, the latter suffering a strained back. All three daughters and Mr. Eden were more or less bruised from the accident.

None of the occupants of the Ford were seriously hurt although the car turned completely over. The car had one broken wheel and a decidedly deranged front.

GEORGE DELANEY IS HURT

Word from George Delaney, son of Mr. and Mrs. J..W. Delaney, who was hurt Wednesday of last week at Greybull, Wyoming, tells that his injuries are not nearly so serious as first reported. It was first reported that he suffered a broken back, a broken leg and a broken arm Wednesday near the Wyoming town while engaged in work for the Standard Oil Company. A portion of the steam shovel on which he was working fell on him, it is true, but his back was not broken. In his letter received Monday George tells that his back was wrenched, his left arm bruised and his left leg crushed. When he last wrote he was in the hospital at Greybull but was recovering nicely. He was able to turn in bed, which his relatives delight in taking as evidence that he is not seriously injured. The physicians who are caring for George tell that he may be sufficiently recovered to return to Villisca in a few weeks. His friends hope that he will be.

ENTERTAIN TEACHERS

The ladies of the Villisca Women's Christian Temperance Union Friday evening received the teachers of the Villisca schools at a delightful function at the home of Supt. and Mrs. O. Hamersly on Fourth avenue and Second street. The fore part of the evening was spent in the discussion of "The Scientific Temperance Instructions, The, Method and Results." Following this discussion a social hour of music and light refreshments was enjoyed by all.

OFF TO RIO GRANDE VALLEY

Mr. and Mrs. Zay Greenfield, Chester Brooks, Ben Greenfield, Mr. and Mrs. F. P. Tyler, J. M. Narigon of Nodaway, T. J. Wright and Mr. and Mrs. O. R. Osborn left Villisca yesterday with A. D. Silverthorne and Geo. D. Kuhn, who are promoting Texas land excursions, for McAllen, Texas, in the Rio Grande Valley.

FUTURE SUBSCRIBERS

A son was born Monday of this week to Mr. and Mrs. Ralph Query of east of Villisca. The parents live on the farm formerly owned by C. J. Foor.

A son was born Friday of last week to Mr. and Mrs. George Hagle, who live 13 miles northeast of Villisca.

E. D. Winter, president of the Villisca Farmers' Insurance Association, and Harry Dirrim, secretary of the same, left yesterday on No. 4 for Des Moines to be in attendance Wednesday and Thursday at the state convention of Mutual representatives.

PLANNING PRIVATE DRAINAGE

Land Owners of Northeast of Villisca to Construct Own Water Relief

TWO AND ONE-HALF MILES LONG

W. B. Woodward, B. R. Day, H. A. Carlson, C. W. Cozad and W. H. Loper Are the Promoters

Five owners of farms eight and nine miles northeast of Villisca have mutually agreed to solve, if possible, one of the knottiest drainage problems offered by the overflowing of the Middle Nodaway river as soon as they can. As one of the steps in this private undertaking eighteen or twenty representatives of a number of the large drainage contracting companies of this section of the West were called to Villisca Friday of last week to go over the proposed drainage district with County Engineer C. D. Forsbeck, who had made drawings of the plat to be drained, and upon this investigation submit bids for the work of constructing the ditch at an early date. H. B. Whitney, of Sioux City, Iowa, who built the big ditch in Page county a few years ago, was among those who visited Villisca Friday. The Clyde W. Drew Company of Omaha, Nebraska; Mathers of Jefferson, Iowa; and the Craig Company of Omaha were among the other large contracting companies who were represented in the tour over the district Friday. As the men went up and down the district getting data, on which to base their bidding later, they were accompanied by W. B. Woodward, B. R. Day, H. A. Carlson, C. W. Cozad and W. H. Loper, the men who are to finance the two and one-half miles of drainage.

The ditch the five men are planning will begin at the Corwin bridge, just nine miles northeast of Villisca and straight east of the W. B. Woodward farm. This makes one mile of ditch in Adams county and the remaining one and one-half miles will run directly on the Montgomery-Adams County line. It will connect with the proposed

MRS. J. H. LOGHRY DEAD

Resident of Near Hepburn Dies Saturday after Short Illness—Funeral Monday Afternoon

Mrs. J. H. Loghry of near Hepburn died last Saturday at the family home near Hepburn.

Margaret Burns, daughter of Mr. and Mrs. William Burns, was born in Johnston county, Kansas, July 31, 1874, and died at the family home near Hepburn Saturday, November 17, 1917. At the time of death the deceased was forty-three years, three months and seventeen days of age.

She came with her parents to Page county when a child and made her home there until the time of her death. Margaret Burns was married to J. H. Loghry September 12, 1892. To this union eleven children were born, two dying in infancy. Besides the husband and children who survive the mother there are three brothers to mourn the loss. They are: Elmer Burns of Hepburn; Irwin Burns of Clarinda, and David Burns of David City, Nebraska. The latter was unable to be present at the sister's funeral.

Mrs. Loghry united with the Methodist Episcopal church at Hepburn in July, 1915.

The funeral services were held Monday afternoon at two o'clock at the Fairview cemetery. Rev. E. S. Menoher had charge of the services. Burial was made in the Fairview cemetery.
